### Nationally Consistent Collection of Data

The NCCD is an annual collection to count the number of school students receiving an adjustment in accordance with the *Disability Discrimination Act 1992*. It will be undertaken early in Term 3 as is the usual practice. An information fact sheet for parents and carers is attached.

I will not be at school this week from today to Friday 30<sup>th</sup> June inclusive. Kindergarten will have Mrs K who is familiar with the class routines and the students. She will be following the program for the final week. I confidently leave the school in the hands of our experienced team, under the guidance and leadership of Mrs Corbett. I take this opportunity to extend my warm wishes for a safe and happy holiday. I look forward to welcoming students when they return on Tuesday 18<sup>th</sup> July.
