The first session of *Robokids* begins Tuesday 8 May.

**Robokids Focus groups:** Our P&C will provide parent representatives for focus groups for the Robokids Coding program, from week 3 (15 June). ### P&C Meeting: Wednesday 9 May @9.15am

Everyone is welcome to attend the P&C Meetings. The next meeting is to be held on Wednesday 9 May at 9.15am, in the school library.

### Mothers' Day Breakfast and Assembly: Friday 11 May @9am for breakfast

The school invites all Mums, grandmothers, aunts or special female carers/friends to a continental breakfast on the verandah, Friday 11 May from 9.00 am – 9.20 am.

After breakfast, the school invites you to our special school Assembly, which should finish by 10.00 am. After assembly, your child will have the opportunity to thank you for coming and to say goodbye. After our visitors leave, our students have the opportunity to purchase a gift from the P&C's Mothers' Day Stall. Mums, may want to make a quick 'getaway' before children buy the present from the Mothers' Day Stall. Dads are more than welcome to 'man' the Mothers' Day stall, if you are available.

You received a personal written invitation to attend the Mothers' Day breakfast last week, via your child's blue bag. The school emphasises the purpose of writing an invitation and encourages and appreciates written replies sent back to your child or children. Replies can be left in the classroom box via the office window. Your child's teacher will share and talk about your reply in the classroom. Your written reply will finally be displayed on the noticeboard on the verandah.

## Term 2 Week 3

### Cake Day: Friday 18 May @1.40pm

Thank you to the parents who have volunteered to supply cakes for the cake day – Meitty Georgia and Ana . If you would like to volunteer to sell the cakes at 1.40pm, please inform the office.

Parents who volunteer to bake for our cake days will be asked to supply approximately two dozen small cakes (three parents are rostered) which are sold for \$1.00 each. Cakes are delivered to school in the morning and stored in the staffroom. Containers may be collected from the verandah or staffroom after school.

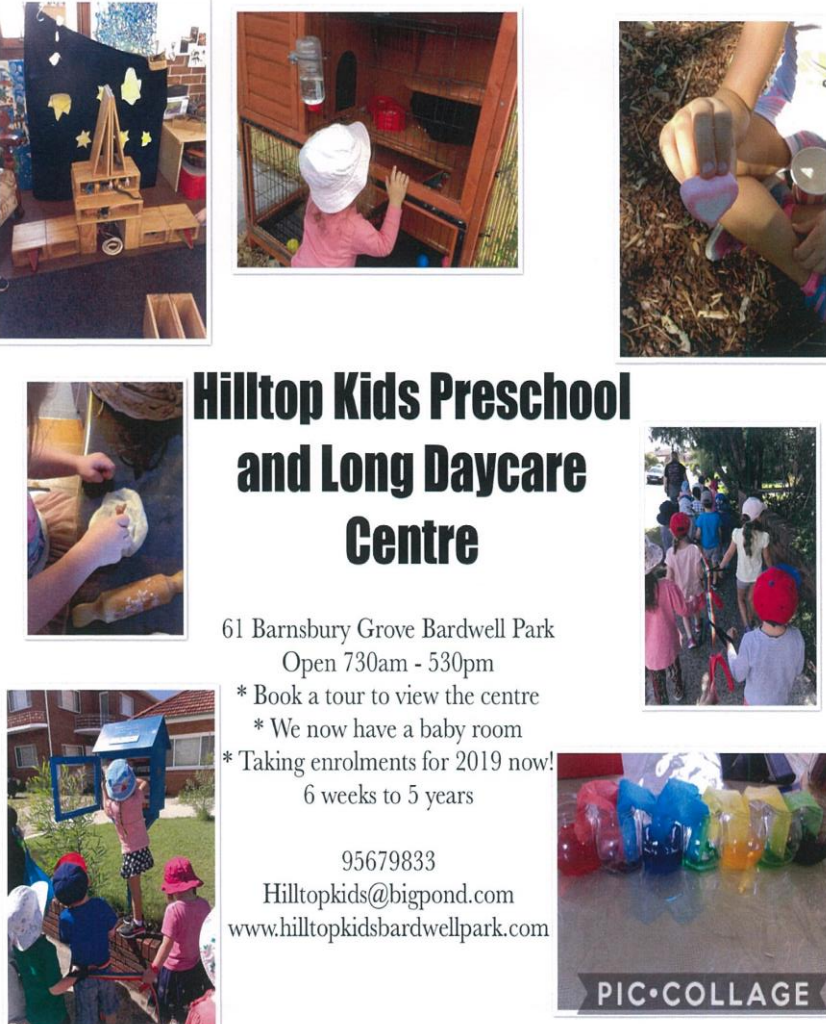

### Walk Safely to School Day Friday 18 May

Our school is taking it in our stride on Friday 18 May, by promoting Walk Safely to School Day. If you need to drive to school you might like to leave the car a good distance from the school and walk the rest of the way. Regular exercise like walking with your child helps them (and you!) beat chronic problems like obesity, heart disease, behavioural, mental health issues and diabetes. It also gives you a great opportunity to demonstrate safe ways to behave around roads and traffic. Remember, 'Active Kids are Healthy Kids' so get planning your own Walk Safely to School Day journey for Friday 18 May 2018! For parent or carer information please visit <https://www.safetytown.com.au/parents>

**Keep your contact information up to date!**

It is a Departmental requirement that parents inform the school of any changes in address, telephone numbers, occupations or circumstances. If you believe you may have changes that would affect our data base would you please let the school office know.
