Year 2 Graduation/End of Year Assembly

Feedback from the community has been positive regarding the Year 2 Graduation/end of year Assembly. Thank you to the students who showcased their musical skills developed over the year, and their use of percussion instruments. Thank you also to the staff for their planning and preparation for the event. As mentioned on the evening, if you would like an electronic copy of the graduation power-point please provide a USB stick, not a CD or DVD. Thank you also to the community members who were found washing plates in the staff room and for their offer of support on the evening. It was greatly appreciated. The P&C will let us know the funds raised by the 100s board. Many thanks to those who entered the draw.

Staffing

Please be advised Mrs Joukhador has relinquished her permanent full-time teaching position. She has chosen to seek casual work, closer to her home. We thank Mrs Joukhador for returning to her full time position this year and acknowledge her contribution to the school and her class. A full-time permanent teacher vacancy has been declared with the Department of Education's HR/staffing.

I am sure you wish Mrs Joukhador well in the future, as we do.

Students' final day: Wednesday 19 December.

School Development Days

The school will be open for **staff only** on Thursday 20 December and on Friday 21 December until 12.30pm only. The annual pest control management is scheduled for Thursday 20 December. We await confirmation of the date for the scope of works for the trees, resulting from the recent arborist's report.

The Office

Thank you to Mrs Maclean who has undertaken so much professional learning and training as a result of the new processes and procedures relating to the School Administrative Manager's role, which has changed considerably over the last few years. Our thanks to Mrs Maclean.
