1/2 H students were coding in the playground last week addressing digital technologies of the Science Syllabus. Students worked in learning partners to code Dashbots through student built Lego pathways. Towards the end of the session, some students took the opportunity to race their Dashbots. Great work!

**Visual Arts room:** the art room will be open Thursday 28 November and Friday 29 November after school for students and parents to collect their students' artworks and pottery. All 2D artworks will be in the students' cardboard folder. Please bring a small box or similar to take the pots home. I commend the standard of students' art-making throughout the year!

## Visual Arts

This term students have been learning about the Pop artists, Andy Warhol and Roy Lichtenstein. Please see some of K/1's wonderful collage work on display in the Connected Classroom and was inspired by Andy Warhol's Coca Cola bottles. The other image is work inspired by Roy Lichtenstein and comic books of the 50's and 60's.

## Remembrance Day Last Monday

Thank you to our Year 2 students who represented the school at the EBP RSL Club's Remembrance Day service on 11 November at 11am. Special mention to Sofia and Jacob for presenting the wreath. Our Kindergarten and Year One students remaining at school held a service led by Mrs Greige and Mrs Kritsotakis. Please see the photos at the end of the newsletter.

## Lost Property

Please be kind enough to check students' uniforms at home in case you have another student's jacket, jumper or hat, so it can be returned to the rightful owner. Once again, there remains a number of jumpers in the Lost Property in the office.

## Week 7 (next week)

**An Emergency drill** will be undertaken in week 7 for the safety of all on site. It is a Department of Education requirement under the Work Health and Safety Act, that a variety of emergency drills are undertaken at regular intervals throughout the year.

## Book Club Orders: due Wednesday 27 November

Book Club orders are to be returned online by Wednesday 27 November.

## Art room: open after school Thursday 28 and Friday 29 November

Please feel free to go in and collect your students' artworks after school on Thursday 28 or Friday 29 November. Each student has an art folder with their artworks inside on the desks. Please bring a small box or container to collect your child's pottery, so they can go home. All students did work of a high standard and were very engaged in all forms of art-making throughout the year.

## Week 9

**Year 2 Graduation Assembly:** Wednesday 11 December at 6pm (week 9)

The Year 2 Graduation Assembly will be on Wednesday 11 December (week 9). It is a celebration for our whole school community and specifically those students in Year 2 who move to other schools. Students may wear mufti to school on that day. We ask the community to bring a plate of food to share after the Year 2 graduation. We thank Miss Hammoud, the Year 2 teacher for her organisation of this event. More details closer to the date.

## Week 10 (final week of term 4)

**End of Year Reports:** Monday 16 December (week 10)

End of year reports will go home on Monday 16 December in week 10. As is the usual practice, there are no scheduled parent/teacher interviews following reports in term 4. Please inform Mrs Maclean in the Office if your personal situation has changed and you need a duplicate report for a parent/caregiver living at another address.
