Woolworths Earn and Learn

Thank you to Ana (Jack Yr 1) who has delivered our collection boxes to Woolworths at Bexley North and Kingsgrove. Stickers may be placed in collection boxes at either store, or in the K-2 box in the Office. We thank you for your contribution.

School Services

This year has seen the implementation of national literacy and numeracy progressions which replace the previous literacy and numeracy continuums. Our school was successful in gaining School Services Support, to access free professional learning targeted to our school's needs and our K-2 context. I had already determined the focus will be numeracy. Regional personnel who visited our school last week over two days were very impressed with teaching practices in all learning spaces, as we showcased L3, guided reading, writing and daily 5, within quality literacy blocks. We also had the chance to showcase Lego WeDo with K/1, Hilltop Kids and parents.

This week is National Reconciliation Week. The theme is *Grounded in Truth: walk together with courage*. Students will engage with activities in their classrooms throughout the week. The school has organised an incursion later in the term in celebration, which is funded by the school.
